

## Microsoft 2003 MCSE Boot Camp

**Become MCSE certified in only 12 days.**

**Course Code: 6565**

Our MCSE Boot Camp is an intensive test-preparation program designed for experienced Microsoft IT professionals that reinforces all the knowledge you need to earn the MCSE certification. This course will get you up to speed on Windows 2003 and prepare you for multiple Microsoft certification exams. In this Boot Camp, you will practice sample questions and take simulated exams using Transcender, the industry-leading test-preparation product. All seven exams you need to become MCSE-certified are included in the Boot Camp as well as one free retake voucher for each exam. In addition, by successfully completing the seven exams, you will achieve the following additional certifications: Microsoft Certified Professional (MCP), and Microsoft Certified Technology Specialist (MCTS) Windows Vista, Configuration.

### You Will Take These Exams

- Installing, Configuring, and Administering Microsoft Windows XP Professional (70-270)
- Managing and Maintaining a Microsoft Windows Server 2003 Environment (70-290)
- Implementing, Managing, and Maintaining a Microsoft Windows Server 2003 Network Infrastructure (70-291)
- Planning and Maintaining a Microsoft Windows Server 2003 Network Infrastructure (70-293)
- Planning, Implementing, and Maintaining a Microsoft Windows Server 2003 Active Directory Infrastructure (70-294)
- Designing Security for a Microsoft Windows Server 2003 Network (70-298)
- TS: Microsoft Windows Vista Client, Configuring (70-620)

### Our Guarantee

Students who take the Microsoft Windows 2003 MCSE Boot Camp from Global Knowledge will be issued a free retake exam voucher, if needed. Should any student fail the initial exam, he or she will be eligible to receive a second exam voucher.\*

### To Receive Your Second Exam Voucher:

Send us a copy of the results of your first test, and we'll e-mail you a new exam voucher.

**\*Note:** The second exam voucher will only be issued within one year of the first exam voucher issue date.
