

Global Knowledge®

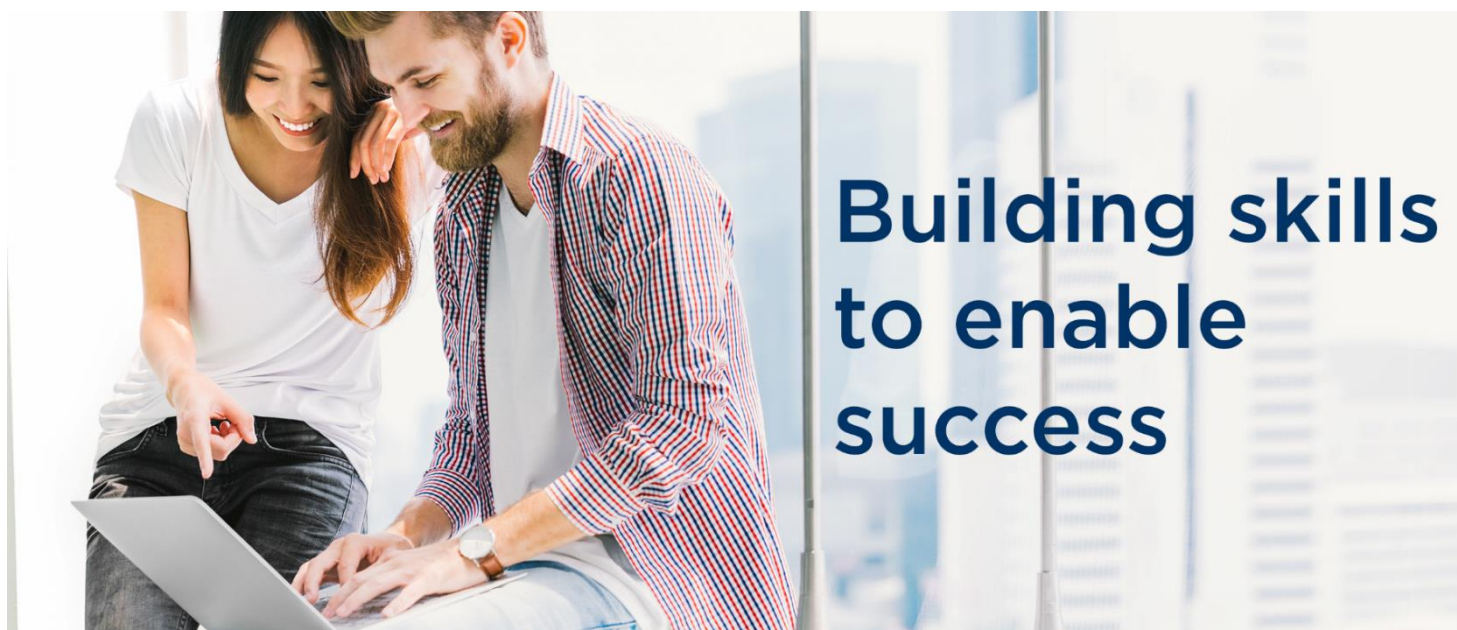

# CATÁLOGO DE SERVICIOS 2019

---

ENERO A JUNIO

# Building skills to enable success

**Global Knowledge** es un referente internacional en el campo de la formación IT y las business skills, con presencia en más de una veintena de países.

Desarrollamos nuestra oferta de cursos IT colaborando con las principales entidades tecnológicas, a fin de proporcionar a los alumnos la oportunidad de adquirir los conocimientos y habilidades en innovación digital para abrirse camino profesional en el manejo de los sistemas más demandados en la actualidad.

## Algunos de nuestros Partners

Aprende de la mejor forma, dónde y como quieras  
Cursos presenciales, virtuales y e-learning

### Presenciales

**Interactúa cara a cara con expertos en la materia y con tus compañeros** mientras trabajas con equipos de última generación en un entorno dispuesto para ello. Contamos con la oferta más grande de clases garantizadas dentro del sector.

### Virtual & Class

**Experimenta la formación online dirigida por un instructor en directo desde la ubicación que elijas.** Al igual que en el aula, puedes participar en ejercicios y colaborar con tus compañeros a través del chat privado y grupal. Con acceso a grabaciones.

### On Demand

**Acceso on-demand las 24 horas, los 7 días de la semana,** a vídeos realizados por el instructor y actividades prácticas en un ambiente de aprendizaje diseñado para poder retener los conceptos lo máximo posible. Y, todas las suscripciones del curso incluyen apoyo de forma gratuita por parte de expertos en la materia.

### Blended

**El formato más innovador de Global Knowledge.** Fórmate con lo mejor de ambas modalidades. Este formato incluye una estructura similar a una clase presencial con la flexibilidad de una formación e-learning. La modalidad *blended* es tu mejor opción para combinar con tu trabajo.

En **Global Knowledge** somos conscientes de la rapidez con la que evoluciona el mercado y por ello nuestra propuesta de valor va más allá que un portfolio de cursos.

Queremos ayudarte con tus planes de formación con un enfoque claro: escuchamos primero, analizamos las necesidades de su organización y luego desarrollamos la solución adecuada para optimizar el desempeño de los empleados y las empresas dentro de su industria y mercado.

Nuestros consultores trabajarán contigo para proporcionarte la combinación correcta de asistencia y soporte que os ayude a alcanzar sus objetivos de negocio:

Podemos proporcionar todo lo que necesite para administrar su talento de manera efectiva.

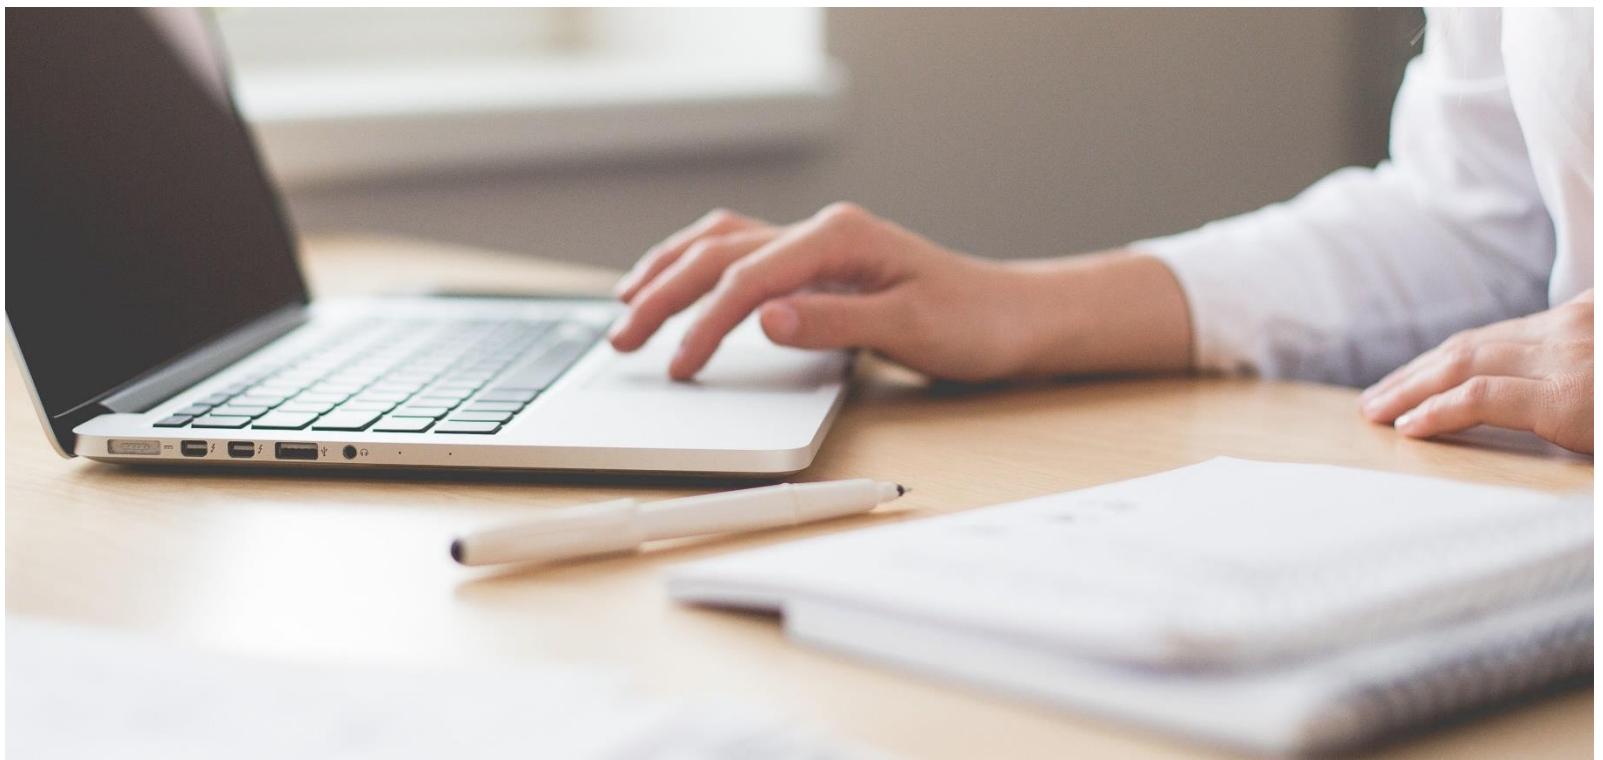

## Itinerarios formativos

Nuestros asesores trabajarán de forma conjunta con tus equipos analizando las necesidades que tengáis y orientándoos con las opciones formativas que mejor se adapten a vosotros. Desde el principio, contaréis con un asesor especializado en formación TI que os ayudará en muchas áreas:

- Learning experience personalizada
- Servicios exclusivos de nuestros programas formativos
- Soporte y ayuda en cualquier ámbito
- Integración como un servicio: nuestros planes formativos cubren necesidades más allá de los propios cursos, integrando en un solo servicio, todo lo que podáis necesitar

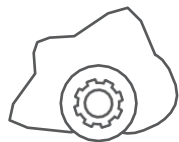

## RECIBE FORMACIÓN AVANZADA EN TEMAS COMO:

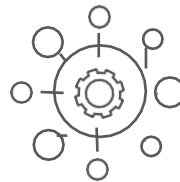

Desarrolla aplicaciones móviles y web de vanguardia aprendiendo los principales lenguajes de programación como Python, Java, C++ y HTML a nivel básico, intermedio o avanzado. Completa tus habilidades con cursos sobre diseño de bases de datos seguras y proporcionando experiencias de usuario excelentes.

DESARROLLO DEL  
SOFTWARE

CLOUD  
COMPUTING

CIBERSEGURIDAD

GESTIÓN TI Y  
MEJORES PRÁCTICAS

## LA OPINIÓN DE NUESTROS PARTNERS

*La implicación y experiencia de todo el equipo de Global Knowledge les convierte en uno de los partners de referencia en formación TI para CSC. Es una empresa fiable y muy profesional.*

Pablo Gonzalez Arango,  
Responsable virtualización en CSC

*Recomiendo abiertamente trabajar con GK, ejemplo de respuesta ágil y eficiente en el mundo TI.*

David Soriano, Coordinación, Telefónica  
Soluciones de Outsourcing

*Global Knowledge es sin duda uno de nuestros partners de referencia en formación IT, no solo por la experiencia que demuestran en cada proyecto sino por las soluciones creativas que nos ofrecen, proyección internacional y capacidad de todo el equipo de profesionales con el que trabajamos.*

Sonia Caso, Directora General de Software One

*Global Knowledge es sin duda una referencia dentro de los proveedores de formación TI tanto en España como en Europa. Estoy muy cómoda trabajando con ellos.*

Rosa Cruz, Juniper

## Exámate con nosotros

Somos especialistas en entregar formación oficial a nuestros clientes y partners, pero sabemos que, en ocasiones, las necesidades se limitan a un examen de certificación.

Somos centro autorizado de

- Red Hat
- Kryterion
- PeopleCert

Entre otros.

Además, contamos con una herramienta exclusiva de consulta de exámenes.

Accede a nuestra página web y consulta con nosotros las fechas que mejor te vienen para realizar tus exámenes.

## GESTIÓN BONIFICACIÓN DE **FUNDAE**

### Consultoría y gestión de la bonificación gratuita para nuestros clientes

Contamos con un departamento exclusivo que os ayudará en todas las gestiones que podáis necesitar para bonificar las formaciones en Global Knowledge, de la Fundación Estatal para la Formación en el Empleo (FUNDAE, anteriormente Fundación Tripartita) permitiéndoos un ahorro importante en vuestra inversión formativa.

Microsoft ha actualizado y mejorado el proceso de certificación para **Azure**. Ahora puedes profundizar en la formación y la validación que definen más claramente tus habilidades según el rol profesional que vayas a desempeñar en la organización. Con este nuevo enfoque en las certificaciones, Microsoft Azure permite a los candidatos centrarse en sus responsabilidades, en función del puesto de trabajo: Administrador de Azure, Desarrollador de Azure y Arquitecto de soluciones de Azure.

El objetivo de la nueva estructura de certificación es ampliar su visión, con un enfoque más centrado en el rol del trabajo en lugar de la tecnología, la formación en certificación de Microsoft Azure te ayudará a desarrollar habilidades más relevantes en torno a sus actividades diarias.

A photograph of a modern office interior. In the foreground, a large, leafy plant is out of focus. Behind it, there are several wooden desks with black metal frames. A laptop is open on one of the desks. In the background, there is a white wall and a doorway leading to another room. The overall lighting is soft and modern.
