

# GK POLARIS DISCOVERY TRAININGEN

Met GK Polaris Discovery volg je onbeperkt Virtual Classroom trainingen voor één vast bedrag van € 3395 inclusief alle e-learnings van het GK Launch abonnement. In dit overzicht vind je alle Virtual Classroom trainingen die binnen het GK Polaris Discovery abonnement vallen.

Je kunt onbeperkt virtueel deelnemen aan alle in dit overzicht vermelde trainingen die gepland staan in ons open rooster. Er wordt altijd gebruik gemaakt van actueel lesmateriaal en je volgt live een training onder leiding van erkende docenten. In een Virtual Classroom training zitten altijd praktijkoefeningen – zodat je niet alleen de theorie onder de knie krijgt, maar ook weet hoe je het geleerde toe kunt passen. Je staat direct in contact met de docent en je mede-cursisten. Je doet dezelfde oefeningen en assessments.

Bij Polaris Discovery zijn examens nooit inbegrepen. Deze dienen voor klassikale en Virtual Classroom trainingen separaat te worden ingeschreven. Bovendien geldt binnen het Axelos portfolio (waaronder ITIL, PRINCE2), een examenverplichting bij afname van een training. Dit is door Axelos opgelegd. Dit houdt in dat binnen het GK Polaris abonnement er voor ITIL® en PRINCE2® trainingen separaat examenkosten doorberekend worden. Wanneer je één van de onderstaande trainingen binnen het GK Polaris abonnement boekt, ontvang je bij jouw aanmelding een offerte van het examen ter controle en akkoord. Een investering per examen kan je hier vinden:
